DECLARATION OF JOSEPH BERRY

Commissioner for Patents  
PO Box 1450  
Alexandria, VA 22313-1450

Sir:

I, **Joseph Berry**, declare that:

1. I have been employed in the Docketing Department of the firm of Staas & Halsey since March 15, 2000, and my title is Manager of Docketing Department.
2. I am directly responsible for docketing all incoming USPTO correspondence, and for making note of such correspondence and the due date for any response due, by the Docketing Department.
3. During the regular course of business, the USPTO mail received at Staas & Halsey is first opened and date-stamped, and separated into a specific file. The USPTO mail file is then passed directly to me in the Docketing Department. I check each piece of USPTO mail against our Docketing database by docket number and serial number. Any USPTO correspondence, which requires a response, is docketed in our Docketing database. Only then is the correspondence passed to the responsible attorney.

4. Attached hereto are copies of the pertinent manual docket cards, which were used by the Firm at the time of the transactions, in question. According to the Docketing Department's records, a Notice of Allowance dated 11/23/2004 was not received by our office.

5. I further declare that all statements made herein of my knowledge are true, and all statements made herein on information and belief are believed to be true; and further that these statements have been made with the knowledge that willful false statements and the like so made punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statement may jeopardize the validity of this application and any patent issuing hereon.
